GENERAL PROGRAM INFORMATION

Program Administration

The Program is administered by Parago ("Program Administrator") on behalf of the Participating PepsiCo Bottlers ("Bottlers") and other PepsiCo-affiliated companies ("Other Partners"). At this point in time, Bottlers and Other Partners include:

Pepsi Beverages Company (PBC) (US Only), and PepsiCo Canada ULC and The Pepsi Bottling Group (Canada), Co. (Pepsi Canada) (Canada only). Bottlers and Other Parties are collectively referred to as the "Company".

Program Dates & Rules

The Program began on January 27, 2008 and extends indefinitely at the sole discretion of the Bottlers and Other Partners (collectively "Companies"). The Companies reserve the right to change these Program Rules at any time with or without prior notice. Any such changes will be shown in these Program Rules on the Website and will be effective immediately unless stated otherwise. Any changes to any printed version of the Program Rules will be contained in the next reprinting of that printed version. You are responsible for remaining knowledgeable about the Program's Rules.

Eligibility and Registration

The Program is only available to independent customers of Participating Pepsi Bottler(s) within the defined segment of Independent Restaurant and Bar (IRB), defined as a foodservice location with on-site catering and/or dining operations. For the avoidance of doubt, National Account customers (i.e., large accounts, primarily consisting of multiple locations operating as a chain across several regions, that have entered into a national account agreement with PepsiCo or the Pepsi Bottlers (s)) and locations whose primary business is vending, airlines, office coffee service, beverage distribution, mini-mart/convenience stores, retail grocery stores, warehouse/club stores, re-distribution, exporting or diverting cannot be eligible as an IRB and are specifically excluded from the scope of this Program. Certain aspects of the Program may require a valid, signed beverage sales/distribution agreement with the Bottler to be in force, as noted below. Customers must be an owner licensed pursuant to applicable state/provincial/territorial law (where required) in the jurisdiction where such owner conducts business, or an authorized employee of such owner who resides in the U.S. or Canada. Employees of PepsiCo or a Bottler or Other Partners and their immediate family members are not eligible to participate in this Program. Additionally, governmental entities or businesses receiving government funds (i.e., Safe Harbor) cannot become a member of the Program and/or accrue Points. The Company reserves the right to place a hold on Points or remove a Customer from the Program if the Customer is deemed "not in good standing" by a Bottler or Other Partners.

To enroll and become a "Member" in the Program, Customers must:

- Have a valid, recognized Customer/Account number from a Bottler
- Complete the Program enrollment form on the Website
- Read and agree to abide by these Program Rules located on this Website
- Have a current Account in good standing with the Bottler

Providing false information or omission of any information requested on the Program enrollment or redemption form may be grounds for denial of enrollment and/or forfeiture of Points in the Program Member's account.

In order to earn Points, a Member must have completed the enrollment process. Only purchases made after the Member's enrollment date will be eligible to earn Points.

Pepsi Rewards+Plus has two membership levels; Basic and Premium Membership. Basic Membership is available to qualifying PepsiCo Customers that meet the aforementioned eligibility requirements. Premium Membership is available to qualifying PepsiCo Customers that meet the aforementioned eligibility requirements, have a signed Beverage Agreement with PBC or Pepsi Canada and are in full compliance with the terms of the Beverage Agreement, including any exclusivity, sku and thruput requirements.

By registering to become a Member, you represent and warrant that you are doing so with the knowledge and consent of your employer, if applicable, and that your participation in the Program is not prohibited or restricted by any company or employment policies relevant to you.

Qualifying Purchases

During the Program Period, eligible Members may earn Points for net qualifying purchases (gross qualifying purchases less any returns). Qualifying purchases include purchases made only from Bottlers, and only on Eligible Products purchased during the Eligible Dates. The official listing of Eligible Products, Points per Case, and Eligible Dates can be found on the Program Website and is subject to change at any time.

Returns will result in reductions of Points at the same rate as they were earned. Qualifying products and services are subject to change from time to time. Members bear responsibility to visit the Website periodically and review changes to eligible product and services.

Earning Points and Point Expiration

Points will automatically be credited to an enrolled Member's account for Qualifying Purchases made by the Customer/Account number associated with the Enrolled Member.

Product returns will result in Reward Points being deducted from a Member's account. If there is a zero or insufficient point balance in the Program account at the time of the return the Program account will enter a negative status. The Company reserves the right to cancel any unfulfilled Reward from an account with a negative point balance.

Points will appear in the Members account as soon as practicable following a Qualifying Purchase. The Company expects to deposit Points within 3 weeks of Purchases, but is dependent on the Bottler to provide accurate, timely purchase data. If that data is not available, the Company may not meet this target time period.

Unredeemed Points will expire on the 1st business day of the 24th month after the Points were earned.

Redeeming Reward Points

All Rewards are subject to availability. Members can redeem Points by logging into the Website and ordering the desired Reward using the Points available in their account. Reward Points can only be redeemed for items found in the online Program catalog at the time of redemption. The full point balance required for the selected Reward must be available in your account at the time your order is placed.

Reward Points may not be transferred and must be redeemed by the primary Program Member. Once we receive your redemption request the Program will review your account to verify that you have sufficient Points to redeem the Reward requested and that such Points are valid. If the Reward is fulfilled and the Company later finds that you did not have sufficient Points for that Reward you will forfeit future point earnings until you accrue additional Points sufficient to meet the deficit.

Point values assigned to any Reward are subject to change from time to time without prior notice. We reserve the right to substitute Rewards of equal or greater value at any time. Should a Reward be discontinued, it will be replaced with a Reward of equal or greater value or, if no suitable substitute is available, you will be advised to make an alternate selection.

A street address and daytime phone contact number must be provided to process an order.

Except for appropriate returns as set forth below, all Rewards are provided and must be accepted AS IS. The Bottler, Other Partners, Administrator and its agents or representatives make no representations or warranties, express or implied, and each disclaims any and all liability as to the condition, quality, merchantability or fitness for a particular purpose of products and/or services provided by or through the Program.

Merchandise Return Policies & Process

You may return most new, unopened Reward merchandise items within thirty (30) days of delivery for a full refund of Points unless otherwise specified. In the event a return is a result of an error of the Program or a Fulfillment Provider (i.e., you received an incorrect or defective item, etc.), the return shipping costs will be covered by the party responsible for error. Items that are opened or returned more than thirty (30) days after delivery may receive a partial refund.

Returns will be processed according to the individual merchant process.

Members must be sure to include their name, address and Customer/Account number in the return package. Points will not be refunded until the Program has receipt of the Reward and verification that the Reward is not damaged, used or redeemed, if applicable. Program Members are responsible for ensuring accurate and timely return of the Reward. The Program is not responsible for lost, late, misdirected, mutilated, incomplete or illegible returns.

Taxation and other Fees

All Members may be required to complete and return a Declaration of Compliance and Release in connection with each Promotion if they are selected as potential winners. For U.S. Members, winners of any Promotion may need to complete a Form W-9 and Bottler will report the value of the prize on a Form 1099 at the end of the year. Any Canadian Members selected as potential winners of any Promotion must correctly answer a mathematical skill-testing question prior to being declared a winner.

Governing Law and Dispute Resolution

This Arbitration section sets forth the circumstances and procedures under which Claims (as defined below) may be arbitrated instead of litigated in court. The term "Claim" means any claim, dispute, or controversy between you and Program Administrator or Companies, their affiliates, or any of their employees, officers, directors, or representatives arising from or relating to your participation in the Program, these Program Rules, any Reward and any prior agreement that you may have had with Program Administrator or the relationships resulting from your participation in the Program. Further, the term "Claim" includes claims of every kind and nature, including but not limited to initial claims, counterclaims, cross-claims, third-party claims, and claims based upon contract, tort, fraud, and other intentional torts, statute, regulations, common law, and equity and is to be given the broadest possible meaning and includes, by way of example and without limitation, any claim, dispute, or controversy that arises from or relates to (a) the Program account or any point balances on the Program account, (b) advertisements, promotions, or oral or written

statements related to the Program or any Reward, or (c) the redemption for and use of any Reward.

Program Administrator or Company may elect not to use arbitration under this Arbitration section for any individual Claim that you properly file and pursue in a small claims court in your state or municipality as long as the Claim is pending only in that court.

Except as otherwise set forth herein, any Claim shall be resolved by arbitration pursuant to this Arbitration section and the code of procedure of the national arbitration organization to which the Claim is referred in effect at the time the Claim is filed.

In the U.S. claims shall be referred to American Arbitration Association ("AAA") as selected by the party electing to use arbitration. For a copy of the procedure to file a Claim, or for other information about this organization, contact them as follows:

Web site: www.adr.org.

In Canada, claims shall be referred to ADR Institute of Canada. For a copy of the procedure to file a Claim, or for other information about this organization, contact them as follows:

Web site: www.adrcanada.ca

IF ARBITRATION IS CHOSEN BY ANY PARTY WITH RESPECT TO A CLAIM, YOU WILL NOT HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR HAVE A JURY TRIAL ON THAT CLAIM, OR TO ENGAGE IN PRE-ARBITRATION DISCOVERY EXCEPT AS PROVIDED FOR IN THE CODE OF PROCEDURES OF THE AAA. FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE IN A REPRESENTATIVE CAPACITY OR AS A MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. EXCEPT AS SET FORTH BELOW, THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. NOTE THAT OTHER RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT MAY ALSO NOT BE AVAILABLE IN ARBITRATION.

This Arbitration section shall survive termination of the Program or your participation in it. If any portion of this Arbitration section is deemed invalid or unenforceable under any law or statute, it shall not invalidate the remaining portions of this Arbitration section, these Program Rules, or any prior agreement you may have had with us, each of which shall be enforceable regardless of such invalidity. In the event of a conflict or inconsistency between an arbitration organization's code of procedures and this Arbitration section, this Arbitration section shall govern.
